

# CHALLENGE no.1

**CREATE** a curious creature

Hi. I'm  
Cam.

I have some friends already here, but I need **LOTS** more to celebrate Children's Book Week.

Can you **PLEASE** make me one at home and bring it in to visit?

- Make your creature out of anything (recycled stuff is excellent )
- Make it strong so it can stand up by itself
- Add a book you would like to read from the CBW list in your show bag
- Cut out and tie on this **tag** on so your creature won't get lost when it is time to go home.
